DON CHURRO

HANDCRAFTED DESSERTS

ALLERGEN

INFORMATION GUIDE

Updated 23th November 2026

INTRODUCTION

Every effort is made by Don Churro and its colleagues to meet EU Allergen requirements and fully support our customer's information needs.

The allergen data we provide is based on recipe information and supplier specifications. However, within our kitchens we may use ingredients containing the following major allergens:
· Gluten · Eggs · Fish · Soybean · Milk · Nuts · Celery · Mustard · Sulphur Dioxide

From time to time may use other ingredients that have:
· Crustaceans · Peanuts · Sesame Seed · Lupin · Molluscs

It is impossible for us to fully guarantee the separation of these items in storage, preparation or cooking, however, we make every effort to do so.

Gluten ingredients which are deep-fried will use the same fryers in our kitchens as dishes not containing these ingredients and whilst there may be minimal risk of cross-contamination we cannot totally guarantee the absence of wheat or gluten, which may, therefore, affect extremely sensitive sufferers.

Please ask your restaurant host to confirm any items you are concerned about.

GUIDANCE ON USING THE ALLERGEN DATA:

•	Indicates that an allergen is present in the ingredient.
M/C	Indicates that an allergen may be present in the ingredient.
	Indicates that NO allergen is used in the preparation of this product.
Y	Indicates that it is suitable for Vegetarians.
Y	Indicates that it is suitable for Vegans.
Y	Indicates that it is suitable for Coeliacs.
